Sub: Government -Tuberculosis Sanatorium, Mudusheede -South Kanara -sanction of special pay -regarding.

--

In obedience to G.O.No.Ms.2261 Health dated 11-7-1955 Ihave taken charge as Superintendent of the Government Tuberculosis Sanatorium,Mudusheddee from the forenoon of 25-7-1955.

(p.t.o)

While I agree that the institution should be under the control of the District Medical Officer as Superintendent to effect better coordination and effieicney I beg to be allowed to place before you the following points:-

The District Medical Officer is also in charge of two large hospitals, the Government wenlock hospital with 302 sanctioned beds (and an ultimate increase to 482) and the Lady Goschen Hospital with 160 beds. The charge of this institutionat Mudusheede 7½ miles away is an added responsibility . As per Government order travelling allowance is allowed.

In this connection I wish to bring the instance of the District Medical Officer, Malabar who in addition to the two Headquarters Hospitals at Kozhikode is the Superintendent of the Mental Hospital which I learn is about 2 miles away and is visited once weekly by him. He is paid a special pay of Rs. 50/-per mensem.

I do not see why a difference should be made in this case.

I visit the sanatorium twice weekly and the distance to be covered is 7½ miles each way.

May I therefore request that my case be presented before the Government recommending a special pay of at least Rs.100/-per mensem.

I forward for information of the Government, a copy of letter No. 4344/E.1/56*dated 29-2-56 from the District Medical Officer, South Kanara in the matter. In the circumstances stated therein I recommend that no conditions (such as maintenance of a car, etc.) need be fixed for drawing the conveyance allowance in full.

Yours faithfully,

*Copy of letter.

The District Medical Officer, South Kanara, Mangalore, attend the Wenlock hospital and Lady Goschen hospital daily to carry out his routine duties. He also visits the Govt. Tuberculosis Sanatorium, Mudushedde twice a week. For emergency and other calls he has to attend these institutions as and when required. All District Medical Officers own cars and maintain the same at their cost. I also own a car and meet the maintenance charges from my private funds.

Under the circumstances it is not desirable to fix conditions for drawing compensatory allowance, namely, conveyance allowance in full, sanctioned in G.O.Ms.No. 3657 Health, dated 3-12-55 by the District Medical Officer, South Kanara.

On a comparison of the additional work thrown on the District Medical Officers of Malabar and South Kanara, it seems appropriate to sanction special pay and conveyance allowance to the latter officer as follows:-

Special Pay:- This is meant for the additional charge of the T.B. Sanatorium at Mudusheddee.

Case 10454/H1/55 CC

16-1/12

This sanatorium was started only in ~~July~~ April '55 and the additional work of the District Medical Officer for being in administrative charge of this will not be comparable with that of the D.M.O., Malabar, who is in similar charge of the Mental Hospital, Kozhikode. A special pay of Rs 25/- p.m. seems sufficient in the circumstances instead of Rs 50/- proposed by HELA.

Conveyance allowance:- As the D.M.O. has to visit 3 Medical Institutions regularly, conveyance allowance at the rate of Rs 50/- p.m. as in the case of the D.M.O., Malabar may be sanctioned ~~xxxxxxxxxxxxxxx~~ in supersession of the orders issued in para 2 of G.O.Ms.No. 2261, HELA, dated 11-7-'55.
